Bridging Leadership workshop:

(Reflection-in-action)

Journal exercise: Ownership Phase

Understanding and co-creating the emerging leadership paradigm at Synergos Institute May 10-11,2010

 What resonates most with me? What are the application insights or ideas (tools, practices etc) that I can apply in my work or personal context? What new questions emerged for me that I would like to explore? 		
personal context?	1.	What resonates most with me?
personal context?
