

# David Rockefeller Bridging Leadership Awards

## 2027 Host Committee

Synergos' 40th anniversary is a milestone opportunity to accelerate our growth and impact, and we're inviting you to help make it happen. We're forming a Host Committee to support the Bridging Leadership Awards, the year's flagship fundraising event: a group of leaders, friends, and advocates like you, helping grow the Synergos community and expand our collective impact.

## Why Join?

- **Be part of a historic moment**
  Help Synergos celebrate 40 years of Bridging Leadership and launch its ambitious next chapter.
- **Connect people to action**
  Help new supporters discover the leaders, ideas, and collective action emerging across Synergos' global network.
- **Build relationships that last**
  Help turn the 40th anniversary into a catalyst for new relationships, partnerships, and resources that extend well beyond the Awards.
- **Expand the circle**
  Introduce people, organizations, and perspectives you believe should be part of the Synergos community.

## What We're Asking

### Host Committee Members will:

- Connect Synergos with prospective sponsors and supporters, and help bring them to the Awards and other opportunities throughout the year
- Generate at least $25,000 in support through personal giving, introductions, and/or secured sponsorships
- Serve as ambassadors for Synergos and join us for the 2027 Bridging Leadership Awards

### Co-Chairs will additionally:

- Host or co-host at least one event connected to the 40th anniversary and Awards, with support from Synergos
- Generate at least $50,000 in support
- Play an active role in the Bridging Leadership Awards and other cultivation moments throughout the year

**We'll make it easy to engage.** Synergos will provide hands-on staff support, ready-to-send materials, tailored outreach support, prospect ideas, and relationship mapping, turning your ideas and introductions into meaningful support.
